MAY 11, 2024 – MORE THAN 100 RACERS PARTICIPATED IN THE 6TH TOMATO TROT HOSTED BY FURMANO FOODS.

The 5k, which took place along a route surrounding the company's headquarters in Northumberland, was a fundraiser for two local charities: [Dwell Orphan Care](#) and [Keystone Family Alliance](#).

Both Dwell Orphan Care and Keystone Family Alliance are dedicated to supporting adoptive and foster families in our local community and the greater Susquehanna Valley. With the generosity of our runners and our race sponsors, we were able to raise over \$13,000 for these worthy organizations. Volunteers from both organizations were on hand to assist with the race and to answer questions about adoption and foster care.

The race saw people of all ages and abilities run, walk, and trot with Furmano's tomato mascot. Cash prizes were awarded to the top three overall and age group finishers. A Kids' Fun Run and Kids' Obstacle Course rounded out the days' activities.
